Why should you participate?

The Small Business Expo is your best opportunity to spotlight YOUR business!

Hundreds of business people from across our region will be under one roof for the purpose of meeting you and learning about your goods and services.

At lunch, you will learn about the resources and opportunities for small businesses that are offered by the Chamber, and how to grow your business through social media like LinkedIn, Facebook and Twitter.

Following lunch, exhibitors will have the opportunity to make announcements about their organizations at a press conference.
